BRRRR . . . Cold Snaps Mean CCSC Needs Coats, Blankets

Community members in need are requesting coats and blankets from CCSC's clothing pantry and its inventory of warm items needs replenishing. If you have a blanket or coat to spare—men's, women's or children's, all sizes—please drop off your tax-deductible donation at 3434 Branard weekdays 8:30 a.m.- 2:30 p.m. or Saturdays 9:00 a.m.-noon.

"We are also very much in need of manual can openers," Program Manager Courtney Hagen said. For more information on donating to Emergency Services-Central, please contact Courtney at emergency_1@ccschouston.org

Bon Voyage to JobNet's PowerPoint Instructor

A big thank you to JobNet volunteer Joaquin Martinez for the numerous hours he has spent teaching PowerPoint classes at CCSC. We are thankful he was placed in the direct path of so many eager job seekers and we wish him all the best as he pursues his career overseas.

"Teaching at JobNet has been a pleasure!" Joaquin said. "The process is so smooth, everything is set up and waiting for me to come in and teach."

JobNet is now in need of a PowerPoint teacher. PowerPoint unlocks valuable opportunities for job seekers and requires a monthly volunteer commitment of three hours. The curriculum is provided for the instructor. For more information, contact CCSC's Resource Development Coordinator Erin Donohue at 713-961-3993.

Be Part of the Growing CCSC Garden

In 2017, the Christian Community Service Center Garden doubled its production of fresh fruits and vegetables to give to our hungry neighbors. Nearly 3.5 tons of produce was planted, tended and harvested by a small but mighty team of garden volunteers. CCSC can always engage a few more volunteers in this effort! If you have availability on a weekday morning and are interested in getting involved, please contact Erin Donohue at 713-961-3993 or

The mission of the Christian Community Service Center (CCSC) is to serve the poor, hungry, disabled, and otherwise needy while respecting their religious, ethnic or cultural differences.
