

## Our Church is hosting a Donation Drive for Christian Community Service Center (CCSC)!

Our church is in a partner relationship with a Christian Community Service Center (CCSC)—a local, well-respected nonprofit organization designed to help community members in need. CCSC's Emergency Services program offers two sites where our neighbors can access everyday necessities like groceries, hygiene items, diapers and more.

In 2018, Emergency Services helped nearly 11,000 community members! Many were from very vulnerable groups: children, senior citizens and handicapped persons.

It takes a lot of STUFF to accomplish that volume of work, and we want to contribute to the cause with a donation drive (see attached list of suggested items). Please consider bringing your contributions to help meet the needs of our neighbors.
