*Does your congregation think about CCSC for gifts, recognition or memorials?
Does your church administration know about these options?
Do you ever recommend?*

From grieving to celebrating, the members of your congregation and their families will appreciate knowing about thoughtful opportunities to memorialize or honor their loved ones. The following is some helpful information that you can provide to your church's administrative staff so they can share the resources offered by Christian Community Service Center (CCSC).

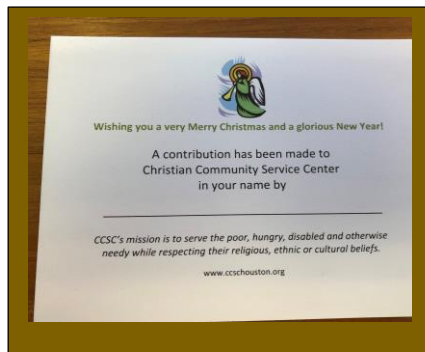

CCSC helps make it meaningful to give a gift or provide recognition or offer a memorial for family, friends, and colleagues. It's a triple win:

- 1) Contributions are a welcomed option in lieu of flowers or gifts.
- 2) Contributions provide a "feel-good" gift by helping those in need.
- 3) Contributions spread the word about the work and mission of CCSC.

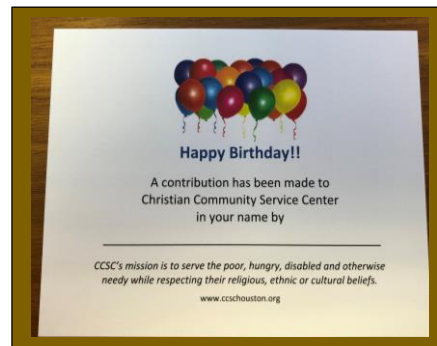

CCSC makes it easy and convenient. A donation can be made online at www.ccschouston.org or a check can be sent to CCSC, P.O. Box 27924, Houston 77227. CCSC will gladly assist your church administrator with additional details.

The donor simply indicates how their donation is to be recognized – *Christmas, Birthday, In Honor Of, or In Memory Of* – and to whom the gift is to be given or acknowledged.

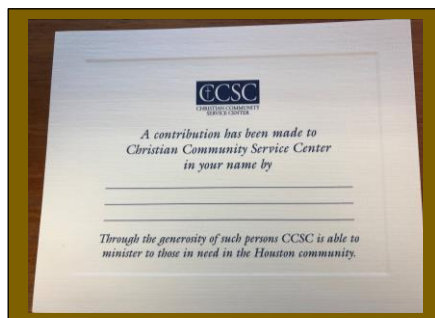

CCSC will send a lovely customized card. Here are samples:
