

Back To School - 2020 School Partners

Christian Community Service Center (CCSC) remains committed to serving 6,500 students in need through our Back To School program. Due to the COVID-19 pandemic, we adjusted the 2020 program design to minimize social gathering. This included cancelling our community wide event and expanding partnerships with high-need schools. This year, all academic supplies and uniform vouchers will be provided directly to campuses. We are grateful to support students as they strive for academic success in this especially challenging time.

2020 School Partner	Grades Served
Amigos Por Vida-Friends For Life Charter School	PK – 8 th
